FALL, 1927

TRADE LIST

OF

LOVETT'S NURSERY

LITTLE SILVER, NEW JERSEY

LOVETT'S NURSERY is located one mile from Little Silver depot, two miles from Red Bank, forty miles from New York City and five miles from Long Branch. To reach it from NEW YORK take the Central Railroad of New Jersey (foot of Liberty Street or Twenty-third Street), or the Pennsylvania Railroad (Cortlandt Street, or 32d Street and Seventh Avenue.) From PHILADELPHIA take the Pennsylvania Railroad, (Broad and Market Streets), or the Philadelphia and Reading, (Bound Brook Route). In all cases get tickets to LITTLE SILVER; good on either road.

Telephone No. 1475 Red Bank

Terms and Conditions of Sale

SPECIAL NOTICE. The greatest care is exercised to keep our stock clean and true to name. Should any prove otherwise, we will return the money paid or replace it with other stock, but we are not liable for damage beyond this. A sure indication of the purity of our stock is the fact that customers of former years continue to deal with us. Certificate of Inspection is attached to each shipment.

Prices named in this Trade List apply only to orders placed by nurserymen, florists or dealers. Anything found offered in our retail catalog for Fall 1927, (Catalog No. 122), but not offered in this Trade List will be supplied to the Trade at a discount of 20 per cent from each, dozen and hundred rates as quoted in the retail catalog.

Not less than 5 of a variety will be supplied at the 10 rate, nor less than 50 of a variety at the 100 rate, nor less than 500 of a variety at the 1000 rate.

Packing. All goods are carefully packed in boxes or bales, for which we make a charge sufficient to cover cost of material used. Please state whether goods are to be shipped by freight or express and name route. After delivering to forwarders, all articles are entirely at the risk of the purchaser, and if any loss or delay occurs, the forwarders alone must be held responsible. All goods are delivered to the express office or freight depot at Little Silver or Red Bank free of cartage. Parties desiring stock shipped by express C. O. D. will please remit one-quarter the amount of their purchase when ordering.

Claims, if any, must be made upon receipts of goods, when they will be carefully and cheerfully examined, and, if just, all made satisfactory. Claims made after fifteen days from receipt of goods will not be entertained.

Terms. We offer the usual terms to those of known responsibility but must have satisfactory business references from others or cash must accompany order. Please use printed stationery or enclose business card.

STRAWBERRIES

For description of the different varieties offered in this Trade-List, see our retail Catalog No. 122.

We specialize in the production of Strawberries, and never, in the history of our business, have we had a finer supply than we have this year. Each season we pot approximately a half million plants, and we especially recommend these plants for fall planting, in preference to layers. Their extra vigor more than equalizes the difference in cost.

The layer plants we offer are well rooted, well developed, and are tied in bunches of 25. They are recommended for large or commercial plantings.

	Pot-grown		Layer	
	Doz.	100	100	1,000

HARDY PERENNIAL PLANTS

To supply a complete line of hardy garden flowers in well-grown, well-handled plants that will give pleasure and satisfaction to customers is the most difficult department of the retail nurseryman's business. It is extremely important, therefore, to have a source of supply which is constant and can be depended upon to furnish a wide range of good stock.

We pride ourselves on the quality and diversity of the Hardy Perennials which we raise. We make a specialty of them, and how to handle them in such a way that they retain their full measure of vigor and vitality.

HARDY FIELD GROWN ROSES

For delivery any time after January 1st, 1928

EVERBLOOMING ROSES

(Teas and Hybrid Teas).

O. R. means "on own roots". B. means "budded". O. R. and B means we can supply the variety in either O. R. or B. plants as the buyer prefers.

In addition to our heavy No. 1 grade plants, we can supply somewhat lighter plants at 10 cents less per plant than we ask for the heavier grade.

	Prices refer to strictly No. 1 grade plants.	Per 100
